RESTAURANT

HALAAL

WELCOME

Dear guest,

Welcome to Saray. We created an authentic Turkish / Kurdish restaurant that will transport you, our musaffir (traveller), back to our beautiful homeland, where you will get a taste of our cuisine and hospitality. Our food is meticulously prepared by our team of chefs using only the freshest and finest ingredients. As in Turkey, our food is all made fresh to order, per order, meaning that our dishes take a little longer to prepare, but they are worth the wait. Start with our Mezes which are great to keep the hungry musaffir satisfied until your main course arrives.

Do try our traditional kebaps, as our head chef is from the home of Kebaps, Sanliurfa, on the eastern part of Turkey. Turkish food is traditionally less spicy and less saucy than South African's are accustomed to, so prepare your palate for a new experience.

Try our traditional Kurdish dishes, for something a little more spicy, or our traditional Turkish drinks to quench the thirsty musaffir. Do end your meal in the most traditional way, with some cay or kahve (Turkish tea or coffee) and our desserts, perfect for those who have a sweet tooth.

We hope you will enjoy the experience and come back again.
